INFORMATION & RATES

PROJECTORS

InFocus X1A

Enjoy crisp images and full color with the latest digital processing technology (DLP™). Powerful zoom lens and 1100 lumens give superior brightness in almost any environment. Optical zoom helps fill your screen or wall from any location. Wide-screen capability. Connect to laptop, PDA, DVD player or digital camera. HDTV-compatible.

Epson PowerLite S3

This projector delivers 1600 ANSI lumens so you can experience the thrill of movies, sports, video games and more with expansive images that surpass even big-screen TVs. Epson 3LCD technology ensures accurate color and remarkable saturation, even in well-lit rooms. Connect to laptop, PDA, DVD player or digital camera. HDTV-compatible.

Overhead Projector

Apollo Concept 2120 projects 3,000 lumens of bright white light; perfect for inkjet-printed, dense color transparencies and LCD panels. Triple-element lens system provides precise edge-to-edge focusing. Open head, fold down arm, built-in carrying handle. High/low light intensity switch controls lamp output.

Screen – Tripod [70x70]

Special forward tilt Keystone Eliminator built-in to correct distorted images
Matte-white fabric screen surface

SOUND SYSTEMS

Kustom Profile PA Package

Profile's 100 watts of power and the focused audio dispersion pattern of the Line Array speakers enable the system to reach deeper into the audience - giving your message clarity and attention. Each system includes 5-channel mixer with individual effects, tone and volume control, 2 speakers and stands, one mic and cables. All into one compact roller bag! [5 systems available]

MICROPHONES

Audio-technica DR-VX1 mics [unidirectional]

Shure SM57 mics [dynam]

Audio-technica PRO 70 wired lav

PODIUMS

Wood podiums with gooseneck stand. Can be placed on table or mounted on a microphone stand.

TENT [10x 30 Party Tent/Gazebo]

Great for parties, weddings and commercial events with window-style sidewalls. Use with or without sidewalls. Holds up to 50 people.

REMOTE AV FEED

We will set up your meeting or event to relay live presentation to an additional room at same venue on 27" television. Or, for an additional charge we can set up the relay feed with a LCD projector and 60x60 tripod screen.

EASELS

Aluminum Easel - Lightweight display easel sets up quickly for your presentation [2 available]

Tabletop Easel – Two wood tabletop easels available

Decorative Easels
Beautiful decorative easels in white [54"] or bronze [52"]
